Overview

Spahr Solutions Group, LLC (SSG) provides IT services and management consulting to federal and Department of Defense customers. We hold past performances at DEA, USDA, the U.S. AbilityOne Commission, and the American Battle Monuments Commission. Our values embrace integrity, selfless service and loyalty. Above all we appreciate the contributions of our diverse employees, and enjoy a culture of an extended family.

Differentiators

- We employ agile processes and modern technology to remain efficient and reduce indirect costs
- Our experienced leadership team has a proven track record in both military and federal leadership
- We prioritize customer satisfaction with on time, on demand services performed by a highly skilled, cleared, and well-qualified professional workforce
